Supporting Hope & Rainbows

KILOMATHON ENGLAND

Notice of Road Closures and affected roads Sunday 20th March 2011

To the residents and businesses of Derby and South Derbyshire.

If you are receiving this document, it means that your road or a road near to you will be affected by the Kilomathon England Route.

Please find enclosed in this booklet details of all road closures and parking restrictions in your area on Sunday 20th March 2011

The event organisers in association with Derby City Council and Derbyshire County Council have striven to minimise the disruptive impact of the event to allow those directly affected to carry on with their daily routine with as little inconvenience as possible.

Please take note of the information provided and not park within these areas during the times stated. The City Council's Enforcement Unit will be patrolling these streets and any vehicles parked contrary to the restrictions will be removed. Signs and parking cones indicating the temporary parking restrictions will be displayed on roadsides to assist motorists. Every effort will be made to keep traffic flowing as freely and smoothly as possible.

Please note Emergency Service vehicles will not be affected by any of the restrictions.

More information is available online at www.kilomathon.com. If you require further details please e-mail us at routesupportengland@gsi-events.com or contact the event team on **01620 890 444** Monday to Friday between 9.00am and 5.00pm. We will be happy to meet with you to discuss your individual considerations.

We will work hard to ensure that Kilomathon England continues to be a world class event that is socially and economically beneficial to the people and businesses of Derby and Derbyshire, as well as providing a successful fundraising platform for our partner charities, Hope for Children and Rainbows Hospice for Children and Young People, and over 300 of our affiliated charities. We hope to raise over £1 million this year for charitable causes so please come out and support the runners as they complete the distance.

I would like to take this opportunity to thank you for your co-operation in this matter and apologise in advance for any inconvenience, which may be experienced.

Kilomathon England Event Team

This booklet contains details of all road closures and parking restrictions around the Kilomathon England Route...

Please read this information carefully. Thousands of runners will be taking part raising money for many local and national charities. Please come out and support them as they complete the 26.2km distance.

ENGLAND ROUTE

How to use this map

The areas affected by road closures and parking restrictions have been divided into 5 zones.

Please look at the map below to find the zone you live in.

The information box relating to that zone will give you a summary of:

- The earliest time for any road closure and parking restriction in that zone
- The latest time for any road closure and parking restriction in that zone
- Which page to find full details about road closures and parking restrictions in your zone

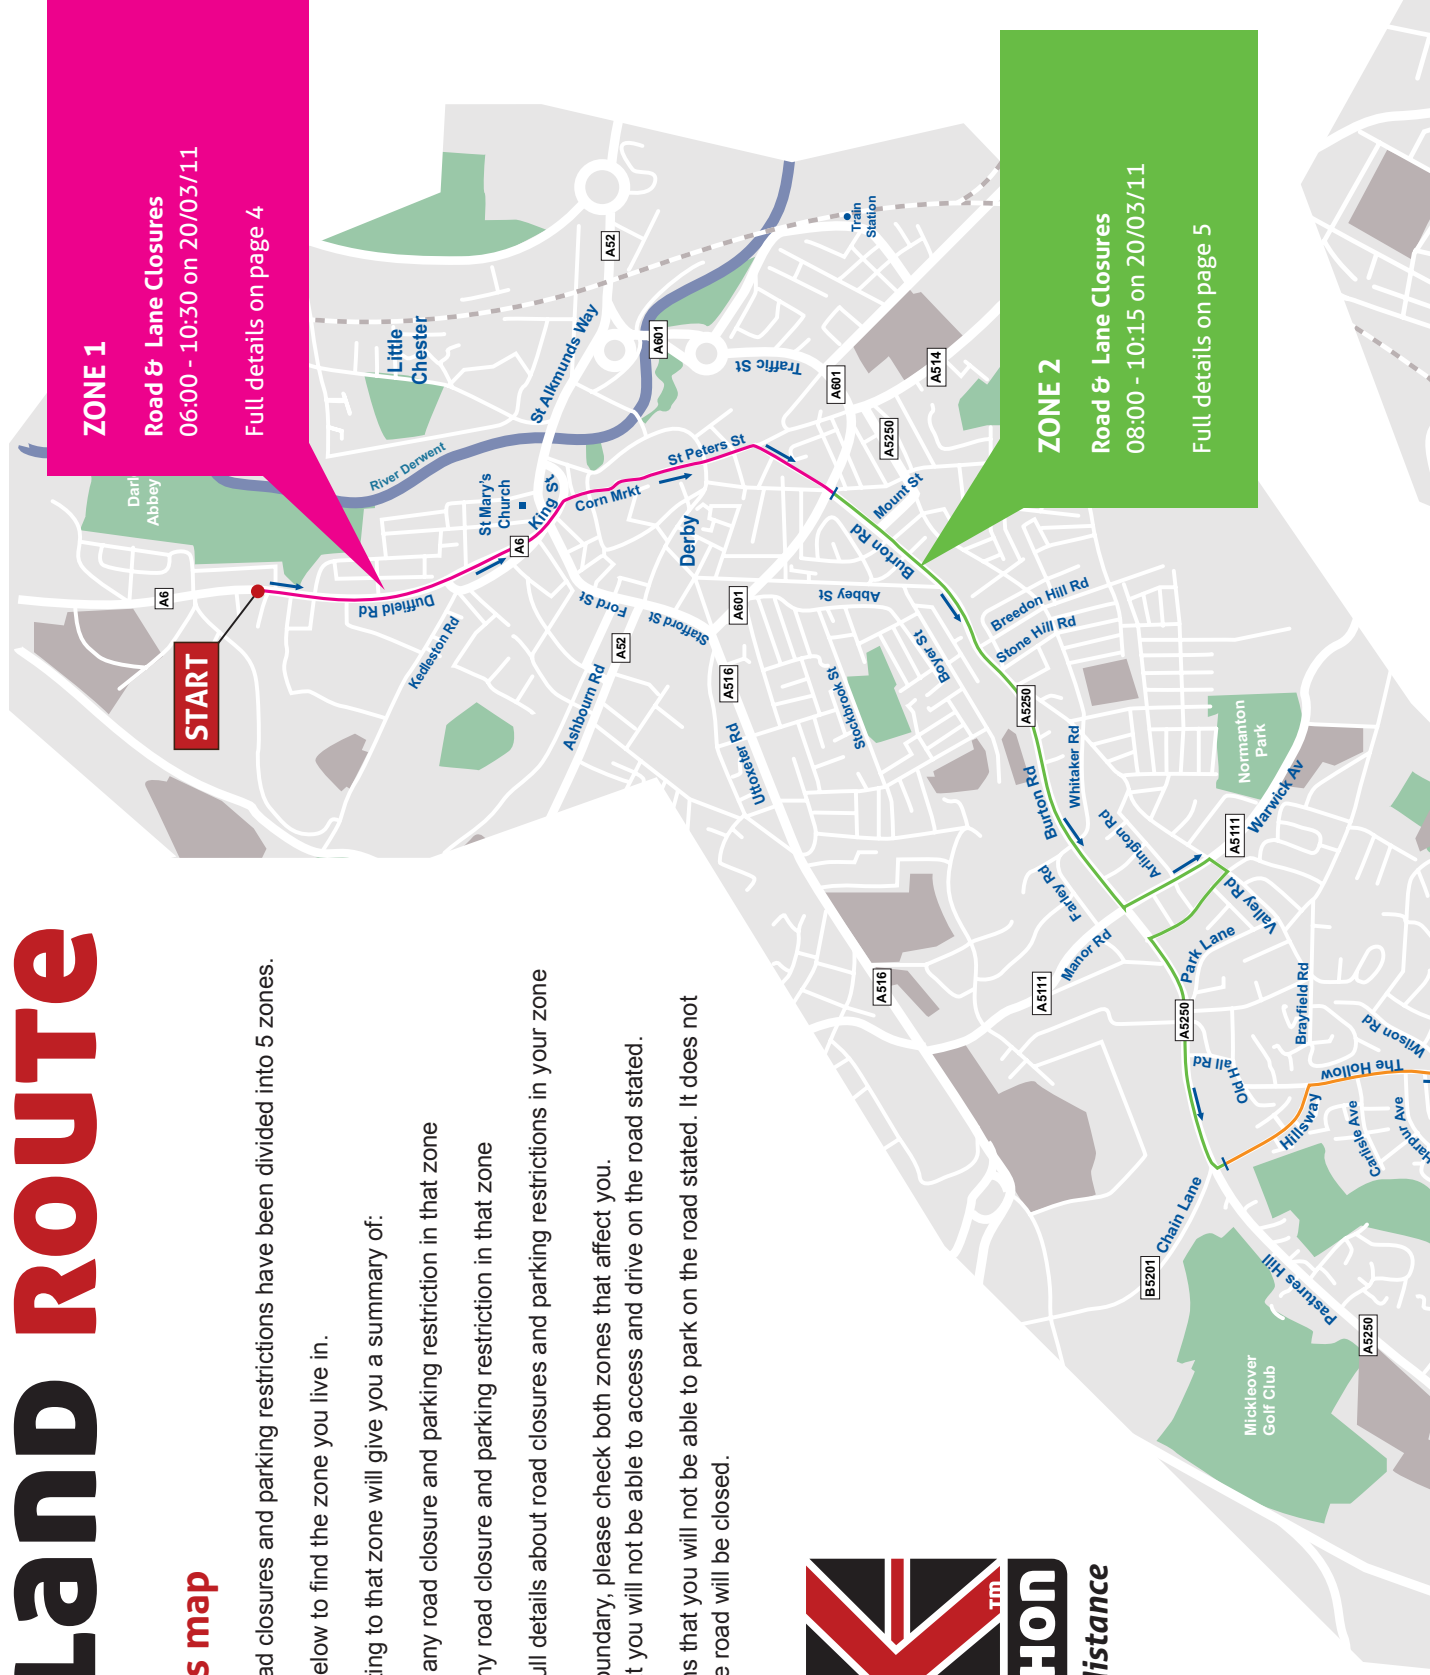

If you live near a zone boundary, please check both zones that affect you.

Road Closure means that you will not be able to access and drive on the road stated.

Parking Restriction means that you will not be able to park on the road stated. It does not necessarily mean that the road will be closed.
